The top volunteer jobs that impact funding for the band:

Concessions – the more volunteers we have the more people we can serve.

Game Day Programs – make contacts and acquire program ads from businesses. If everyone could secure one ad from a business that you frequent, we would double the profit that we currently make.

Auction – we need volunteers to acquire donations from local businesses. This is the longest running single fundraiser in the history of Okaloosa County. We will continue the tradition.

Golf Tournament – if anyone has experience with this – if would be a great event to revive.
